KEYNOTE SPEAKERS

Francine Berman
Edward G. Hamilton Distinguished Professor in Computer Science
Rensselaer Polytechnic Institute

Motoko Kotani
Director, WPI-Advanced Institute for Materials Research
Professor and Principal Investigator, Mathematics Institute, Graduate School of Science, Tohoku University

US INVITED PARTICIPANTS

Orly Alter
USTAR Associate Professor of Bioengineering and Human Genetics
Scientific Computing and Imaging (SCI) Institute, University of Utah

Cecilia Aragon
Associate Professor
Department of Human Centered Design & Engineering, University of Washington

Laurie Beth Feldman
Professor
Department of Psychology, University at Albany, State University of New York & Haskins Laboratories

Anjelica L. Gonzalez
Assistant Professor
Department of Biomedical Engineering, Yale University

Judith F. Kroll
Distinguished Professor of Psychology, Linguistics, and Women's Studies
Director of the Center for Language Science, Pennsylvania State University

Karen Elizabeth Nelson
President
J. Craig Venter Institute (JCVI)

Samira Shaikh
Senior Research Scientist
The Institute for Informatics, Logics and Security Studies (ILS), University at Albany, State University of New York

Kimmen Sjölander
Professor
Department of Bioengineering & Department of Plant and Microbial Biology, University of California, Berkeley

Anne S. Warlaumont
Assistant Professor
Cognitive and Information Sciences, University of California, Merced

JAPANESE INVITED PARTICIPANTS

Futaba Fujie
Associate Professor
Graduate School of Mathematics, Nagoya University

Kanako Koyanagi
Associate Professor
Graduate School of Information Science and Technology, Hokkaido University

Ayami Matsushima
Associate Professor
Department of Chemistry, Faculty of Sciences, Kyushu University
Risk Science Research Center, Kyushu University

Masako Myowa-Yamakoshi
Associate Professor
Graduate School of Education, Kyoto University

Keiko Ogawa
Associate Professor
Graduate School of Integrated Arts and Sciences, Hiroshima University

Mizuki Oka
Assistant Professor
Graduate School of Systems and Information Engineering, University of Tsukuba

Mihoko Otake
Associate Professor
Department of Mechanical Engineering, Chiba University

Kana Shimizu
Senior Research Scientist
Computational Biology Research Center, National Institute of Advanced Industrial Science and Technology

Yasuko Sugase-Miyamoto
Senior Researcher
Human Technology Research Institute, National Institute of Advanced Industrial Science and Technology

ORGANIZING COMMITTEE MEMBERS

(US)
Laurie Beth Feldman
Professor
Department of Psychology, University at Albany, State University of New York & Haskins Laboratories

Kimmen Sjölander
Professor
Department of Bioengineering & Department of Plant and Microbial Biology, University of California Berkeley

(Japan)
Sanae Ariga
Professor
Faculty of Agriculture / Graduate School of Life Science, Hokkaido University

Mitiko Go
Executive Director
Research Organization of Information and Systems

Maki Kubo
Vice President
Okinawa Institute of Science and Technology (OIST)

SENIOR ADVISERS to Co-Chairs

Mary E. Clutter
Retired
National Science Foundation (NSF)

Machi Dilworth
Retired
National Science Foundation (NSF)

Patricia Rankin
Associate Vice Chancellor for Research
University of Colorado, Boulder

SPONSORING AGENCIES

Osamu Shimomura
Director of Washington Office
Japan Society for the Promotion of Science (JSPS)

Fumiyo Kaneko
Deputy Director of Washington Office
Japan Society for the Promotion of Science (JSPS)

Anne Emig
Program Manager
National Science Foundation (NSF)
